FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-0320; OMB 3060-0489 and OMB 3060-0634]

Information Collections Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written comments should be submitted on or before [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN FEDERAL REGISTER]. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contacts below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email: PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

SUPPLEMENTARY INFORMATION: As part of its continuing effort to reduce paperwork burdens, and as required by the PRA, 44 U.S.C. 3501-3520, the FCC invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

OMB Control Number: 3060-0489.

Title: Section 73.37, Applications for Broadcast Facilities, Showing Required.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents and Responses: 365 respondents; 365 responses.

Estimated Hours per Response: 1 hour.

Frequency of Response: On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 Section 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 365 hours.

Total Annual Cost: \$1,331,250.

Privacy Impact Assessment(s): No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality and respondents are not being asked to submit confidential information to the Commission.

Needs and Uses: The information collection requirements contained in this collection are found under 47 CFR 73.37(d) which require an applicant for a new AM broadcast station, or for a major change in an authorized AM broadcast station, to make a satisfactory showing that objectionable interference will not result to an authorized AM station as a condition for its acceptance if new or modified nighttime operation by a Class B station is proposed. The information collection requirements under 47 CFR 73.37(f) require applicants seeking facilities modification that would result in spacing that fail to meet any of the separation requirements to include a showing that an adjustment has been made to the radiated signal which effectively results in a site-to-site radiation that is equivalent to the radiation of a station with standard Model I facilities. FCC staff use the data to ensure that objectionable interference will not be caused to other authorized AM stations.

OMB Control Number: 3060-0320.

Title: Section 73.1350, Transmission System Operation.

Number of Respondents and Responses: 20 respondents; 46 responses.

Estimated Hours per Response: One hour.

Frequency of Response: Recordkeeping requirement; On occasion reporting requirement.

Obligation to Respond: Required to obtain or retain benefits. The statutory authority for this information collection is contained in Section 154(i) of the Communications Act of 1934, as amended.

Total Annual Burden: 46 hours.

Total Annual Cost: None.

Privacy Impact Assessment(s): No impact(s).

Nature and Extent of Confidentiality: There is no need for confidentiality with this collection of information.

Needs and Uses: The information collection requirements contained under 47 CFR 73.691(b) require TV stations to enter into the station log the date and time of the initial technical problems that make it impossible to operate a TV station in accordance with the timing and carrier level tolerance requirements. If this operation at variance is expected to exceed 10 consecutive days, a notification must be sent to the FCC. The licensee must also notify the FCC upon restoration of normal operations. Furthermore, a licensee must send a written request to the FCC if causes beyond the control of the licensee prevent restoration of normal operations within 30 days. The FCC staff use the data to maintain accurate and complete technical information about a station's operation. In the event that a complaint is received from the public regarding a station's operation, this information is necessary to provide an accurate response.
